Our Mission

The mission of Friends of Education is to improve the education of children. Friends of Education has been improving kindergarten through grade 12 education since 1999 through its oversight and support of programs that emphasize foundational skills and critical thinking. The improvement is demonstrated by increases in student achievement and post-secondary readiness.

Friends Of Education

The Minnesota Department of Education (MDE) evaluates authorizers every five years, beginning with its first evaluation in 2015. Friends of Education is the only authorizer which has earned the MDE’s highest Exemplary rating for authorizer performance in both 2015 and 2020.

Exemplary Rating

Friends of Education has been improving kindergarten through grade 12 education since 1999.
Friends of Education
Charter School Authorizer

Background:
Founded in 1999, Friends of Education set out to impact students’ lives by increasing student achievement. It has grown over time from serving 300 students to a network of twelve schools, serving over 10,000 students. Friends of Education fulfills its mission by monitoring school academic and fiscal performance, engaging in and assisting with programs that increase student achievement, while striving for excellence in Minnesota charter school authorizing. Friends of Education is recognized by the Minnesota Department of Education (MDE) for its exemplary authorizer performance.

Growing teachers and leaders:
Friends of Education engages its schools through school leader meetings, feedback surveys, and one-on-one school site visits to gauge what schools need to succeed. Friends of Education has a long-standing commitment of putting dollars back into its schools. The authorizer has a strong belief that investing in school leaders and teachers with high-quality professional development will assist schools with maintaining strong academic cultures. It stands at the forefront of charter school leadership education through investing in and participating in the recently developed Southwest Minnesota State University Charter School Leadership Program. The purpose of the program is to help charter school leaders develop in the profession and grow the mission to reach as many students as possible through the learning opportunities charter schools offer.
Accountability:

As an authorizer of charter schools, Friends of Education believes it has a public trust obligation to fulfill its oversight responsibilities. One purpose of this report is to honor that trust by providing the public with information regarding the academic and fiscal performance of the Friends of Education authorized schools.

From Friends of Education Schools:

“We appreciate all that Friends of Education provides to our school. We could not be more pleased with the support, follow through, and dedication to student achievement.”

“I feel Friends of Education is a wonderful resource for our school and has provided very timely and effective support in the areas that we have needed over the years.”

“Thank you to Friends for the high expectations and the targeted support to meet – and sometimes exceed – them.”

“The staff and board of directors at our school value Friends of Education’s experience, knowledge, resources, and support. We couldn’t operate effectively without them.”

“It is an honor to be a member of such an outstanding group of schools supported by such an involved partner as Friends of Education.”

“Friends of Education is an exemplary authorizer that makes us all better schools.”
RECOGNITIONS & ACCOLADES

U.S. Department of Education National Blue Ribbon School

The coveted National Blue Ribbon Schools award affirms the hard work of educators, families, and communities in creating safe and welcoming schools where students master challenging and engaging content.
